Pope Leo's Prayer for Peace.

Lord of life,
 you shaped every human being in your image and likeness.
 We believe you created us for communion, not war, for fraternity, not for destruction. You who greeted your disciples saying, "Peace be with you," grant us the gift of peace and the strength to make it a reality in history. Today we lift up our prayer for peace in the world, asking that nations renounce weapons and choose the path of dialogue and diplomacy.
 Disarm our hearts of hatred, resentment and indifference, so that we may become instruments of reconciliation.
 Help us to understand that true security does not come from control fueled by fear, but from trust, justice and solidarity among peoples.
 Lord, enlighten the leaders of the nations, so that they may have the courage to abandon projects of death, halt the arm race, and place the lives of the most vulnerable at the centre.

May the nuclear threat never again dictate the future of humanity.
 Holy Spirit.
 make us faithful and creative builders of daily peace, in our hearts, our families, our communities and our cities.
 May every kind word, every gesture of reconciliation, and every choice for dialogue be seeds of a new world.
 Amen
